

C091 / M16 - IP 69K

Advantages

- No. of poles: 3-8, 12 & 14
- Up to 10A @ 300V
- Solder or Crimp termination
- Easy assembly and 360° shielding (EMC)
- Corrosion resistance 720h (salt spray)
- Protection classes IP 69K / IP 67

Areas of Application

- Measurement- and Control Technology
- Factory Automation
- Heavy Equipment / Agricultural
- Medical
- Renewable Energies
- Antennas (AISG)
