

THE REAL ORIGINAL

& the **NEW** Standard of Excellence!

Introducing the **AX MARK Color Coding Sleeve System** for the BEST-IN-CLASS XLR connector available anywhere — the **AX Series** from Amphenol.

Since establishing the XLR industry standard in 1955, we have been Innovating and delivering the highest-quality, most-reliable XLR connector system at the most-competitive prices!

Available in **10 COLORS**, either in bulk for field-assembly and marking, factory pre-assembled on the AX of your choice, or even Factory Custom ink stamped to your specs.
